The technical drawing illustrates a three-way gas valve assembly with the following dimensions:

- Top View Dimensions:**
 - Overall width: 126
 - Distance from centerline to side outlet: 76
 - Side outlet diameter: $\phi 63$
 - Main body diameter: $\phi 62$
 - Flange thickness: 1/2"G
 - Base diameter: $\phi 63$
- Front View Dimensions:**
 - Total height: 160
 - Height from base to main body: 120
 - Height from base to side outlet: max 45
 - Base diameter: min. $\phi 35$, max. $\phi 42$
 - Base flange diameter: $\phi 63$
 - Base thickness: 35 ± 50
 - Base mounting hole diameter: 1" 1/4 G
- Side View Dimensions:**
 - Overall height: 110
 - Base diameter: 1/2"G
 - Base thickness: 1/2"G

- aerator M22x1
- set of 2 stainless steel hoses 1/2"G

without pop up waste

with 1"1/4G pop up waste

CR - chrome plated
CO - chrome + gold finish
AG - silver finish
BR - bronze
RM - copper
